HANDWRITING FONT TEMPLATE

Print out each template page single-sided.

Copy the following sentence below, writing as you would normally. This will give us a baseline to use for the character and word spacing of your handwritten font.

The quick brown fox jumps over the lazy dog.

Complete both of the included letter templates. This allows us to create variations that would naturally occur in your handwriting.

PLEASE DO NOT TRACE THE LETTERS ON THE TEMPLATE

They are a guide to help keep your sizing consistent and to ensure enough space between each letter for the font creation process.

SCAN/PHOTO EACH PAGE THEN EMAIL TO KIM@TNI.MARKETING Please make sure the image is as straight as possible with minimal shadows and the 4 corner markers are visible at each corner.
